Tatlo ang patay. Marami ang sugatan. May paaralang ginising ng putok ng baril imbes na bell. Kaya kung ang una mong nakita rito ay pagkakataong buhayin ang lumang script ng patayan, hindi ka naghahanap ng hustisya. Naghahanap ka ng content.

Ang bilis ng iba. Wala pang buong imbestigasyon, may template na agad: “Kasalanan ng Juvenile Justice Law.” Parang automatic reply ng troll farm na naiwan sa microwave. Mainit, maingay, pero walang sustansya.

Linawin natin: fake news ang “walang parusa ang menor.” Hindi ganyan ang batas. Ang batang 15 pababa ay exempt from criminal liability, pero hindi ibig sabihin nun “uwi ka na, anak, ingat sa next shooting.” May intervention. May assessment. May social worker. May rehabilitation. Sa serious offenses, lalo na kung above 12 up to 15 ang bata, puwede siyang ilagay sa special facility sa Bahay Pag-asa para sa intensive intervention. Hindi kulungan ng matanda, pero hindi rin free pass. Ang above 15 but below 18 naman ay maaaring managot kung may discernment. At kahit may exemption from criminal liability, hindi nawawala ang civil liability. Puwede ring managot ang magulang o guardian sa damages kung hindi nila mapapatunayang nagkaroon sila ng reasonable supervision at ginawa nila ang dapat para pigilan ang bata. Ang problema, kung sabaw ang implementation, sabaw din ang resulta.

Jun 23, 2026 12:01:41

At oo, puwede nating pag-usapan ulit kung dapat bang ibaba ang age of criminal liability. Pero pag-usapan natin nang seryoso, hindi yung parang naghahanap lang ng bagong caption para sa lumang galit. Ang tanong hindi lang “ibaba ba ang edad?” Ang tanong: may maayos ba tayong Bahay Pag-asa? May sapat ba tayong social workers? May mental health support ba? May rehabilitation ba talaga o holding area lang na may mas mabait na pangalan? Kasi kung ibababa mo lang ang edad pero pareho pa rin ang bulok na sistema, hindi ka gumawa ng justice reform. Nag-expand ka lang ng pila ng batang dudurugin ng sistema.

At dito pumapasok ang kabastusan ng fake news. Sa kakasigaw ninyo ng “walang mapaparusahan ang menor,” hindi niyo napapansin na ginagawa ninyong believable sa kabataan ang ideyang may free pass sila. Dangerous instruction din ang propaganda. Tapos ngayon isisisi ninyo sa batas ang maling paniniwalang kayo rin ang paulit-ulit na ipinakain sa publiko? Para kayong nagsindi ng posporo, tapos nag-presscon sa harap ng sunog para sabihing delikado ang apoy.

Jun 23, 2026 12:01:53

Kung totoong may batang naniwalang “minors can’t be charged,” ang tanong hindi lang “bakit ganito ang batas?” Ang tanong din: sino ang paulit-ulit na nagbenta sa publiko ng maling version ng batas? Kasi ang batas, may accountability. Ang propaganda, madalas puro tapang sa caption, takas sa consequences.

Pero siyempre, mas madaling sisihin ang batas kaysa sagutin ang mas nakakahiya: paano napunta ang baril sa mga bata?

A child cannot shoot a school without a gun. Bago tayo magpakadalubhasa sa Facebook University of Criminal Law, sagutin muna natin: sino ang adult na pumalpak? Sino ang may-ari? Sino ang nag-secure? Sino ang nagkulang? Sino ang hindi nagbantay? Ang baril, hindi lapis na nahulog sa bag. Hindi baon na nakalimutang tanggalin sa lunchbox. Deadly weapon yan. Kapag napunta sa kamay ng menor de edad, may adult failure na nangyari bago pa ang unang putok.

At oo, dapat pag-usapan ang bullying. Dapat pag-usapan ang mental health. Dapat pag-usapan ang school security. Dapat pag-usapan kung may guidance counselor ba talaga o poster lang ng “You are not alone” sa pader habang nag-iisa ang bata sa totoong buhay. But bullying does not justify murder. Pain explains some things. It does not excuse everything.

Jun 23, 2026 12:01:58

Dito pumapasok ang mas malalim na sakit ng lipunan. Hindi ko sinasabing isang talumpati ang direktang pumutok ng baril. Hindi ganun kasimple ang mundo, kahit gustong-gusto ng iba na gawing kindergarten worksheet ang national tragedy. Pero kapag ilang taon mong ginawang normal ang “patayin,” “ubusin,” “nanlaban,” “collateral damage,” at “sino ba yang namatay,” huwag tayong magtaka kung may kabataang lumaki sa hanging amoy pulbura.

Children do not grow in a vacuum. They absorb what adults reward. Kapag ang matapang sa lipunan ay yung marunong manakot, kapag ang justice ay ginagawang shortcut, kapag ang due process ay tinatawag na arte ng mahihina, may napupulot ang bata. Hindi man instruction manual, atmosphere. At ang atmosphere, araw-araw nilalanghap.

Kaya ang nakakagalit dito, ginamit na naman ang patay bilang props. Biglang concerned sa mga bata ang kampong ilang taon ding pumalakpak sa patayan basta hindi nila kaalyado ang duguan. Biglang pro-life kapag useful sa caption. Biglang rule of law kapag may pwedeng isisi sa kalaban. Ang tawag diyan hindi prinsipyo. Opportunism with ring light.

Kung seryoso tayo sa hustisya, hindi sapat ang “amend the law” na parang magic spell. Ayusin ang firearm accountability. Kasuhan ang

Jun 23, 2026 12:02:06

Kung seryoso tayo sa hustisya, hindi sapat ang “amend the law” na parang magic spell. Ayusin ang firearm accountability. Kasuhan ang negligent gun owners kung may basehan. Higpitan ang school security without turning schools into prisons. Ayusin ang anti-bullying systems. Pondohan ang mental health services. I-audit ang Bahay Pag-asa. Palakasin ang social workers. Siguraduhin na ang batang lalabas sa proseso ay rehabilitated, hindi mas galit, mas sanay, mas delikado.

At please lang, tigilan ang pagkalat ng mukha at pangalan ng minor suspects. Accountability is not doxxing. Justice is not Facebook revenge. Kung galit tayo sa krimen, lalo dapat tayong kumapit sa batas. Kasi kapag galit ang naging batas, pareho lang tayong nagpatayo ng impunity, nagpalit lang ng costume.

Ang tunay na tanong dito hindi lang “anong gagawin sa batang bumaril?” Ang mas mahirap na tanong: anong klaseng mundo ang gumawa ng batang kayang humawak ng baril, magdala nito sa paaralan, at maniwalang may lusot siya sa buhay at batas?

Hindi ito tragedy na dapat agawin ng troll script. Hindi ito campaign material. Hindi ito patunay na tama ang kulturang ginawang state policy ang dahas. Ito ay salamin. At kung ang una mong ginawa sa salamin ay isisi sa kalaban ang dumi sa mukha mo, baka ikaw ang dapat unang maghugas.

mong ginawa sa salamin ay isisi sa kalaban ang dumi sa mukha mo, baka ikaw ang dapat unang maghugas.

Mourn the dead. Protect the wounded. Prosecute where the law allows. Hold adults accountable. Fix the systems. And stop turning children's coffins into political podiums.

LULONG SA BAYOLENTENG ONLINE GAME?

Lumabas sa imbestigasyon ng mga awtoridad na lulong umano sa online game na “GoreBox” ang isa sa dalawang suspek sa insidente ng pamamaril sa isang paaralan sa Tacloban City.

"Yes, just like the Roblox may laro may shooting, shooting din mga ganung firearms. Medyo bayolente po yung laro," saad ni P/BGen. Jason Capoy, PRO-8 Regional Director. | via #MOJO Jazz Paredes

MAY PANANAGUTAN ANG MGA MENOR DE EDAD NA NASASANGKOT SA KRIMEN

Marami pa ring maling impormasyon tungkol sa Juvenile Justice and Welfare Act.

May pananagutan. May proseso. May mga intervention upang matiyak na hindi na ito mauulit.

May pananagutan din ang mga magulang. May tungkulin naman ang pamahalaan—sa pamamagitan ng DSWD at iba pang ahensya—na magbigay ng suporta sa mga biktima, kanilang mga pamilya.

Iligal ang pakawalan ang menor de edad na nasangkot sa krimen at may parusa sa mga gagawa nito.

Ang tunay na hamon ay hindi ang pagpapakalat ng takot at disinformation, kundi ang ganap na pagpapatupad ng batas at pagtiyak na may hustisya, accountability, at proteksyon para sa lahat ng bata.

'MEDYO BAYOLENTE PO 'YUNG LARO'

One of the suspects in the Tacloban school shooting was engaged in playing a "violent" online game prior to the incident, according to the Police Regional Office Eastern Visayas (PRO-8).

"As per investigation natin, Gorebox," PRO-8 director Brig. Gen. Jason Capoy said in a phone interview.

"Yes, just like Roblox, may laro may shooting, shooting din mga ganung firearms. Medyo bayolente po 'yung laro," Capoy said.

The two suspects, aged 14 and 15, carried out a shooting inside the San Jose National High School campus on Monday morning, leaving three students dead and several others injured. | via Jazz Paredes/ONE News

Nanawagan ng hustisya ang lola ni Lawrence Fabian, isa sa tatlong nasawi sa pamamaril ng dalawang menor de edad sa isang paaralan sa Tacloban City kahapon, June 22, 2026.

Itinanggi rin niya ang paratang na bully ang kaniyang apo at iginiit na mabait ito, at maging ang sariling baon ay ibinibigay pa sa mga kamag-aral.

WALANG CRIMINAL LIABILITY?

Walang criminal liability ang mga suspek sa pamamaril sa isang paaralan sa Tacloban City pero mayroon silang kailangang pagdaanang proseso, ayon kay Atty. Tricia Clare Oco, Executive Director ng Juvenile Justice and Welfare Council.

Giit niya, kung lumabas sa imbestigasyon na murder ang kanilang ginawa, maghahain ng petisyon ang social worker sa tulong ng public attorney para maipasok sila sa "Bahay Pag-asa."

"Ang sabi ng batas at least one year nandoon siya sa Bahay Pag-asa for an intensive intervention program," saad ni Oco sa programang "Ted Failon at DJ ChaCha" ng True FM.

"Hindi siya malaya dahil nandoon siya sa Bahay Pag-asa. Hindi siya puwedeng lumabas kahit kailan niya gusto. Doon siya institutionalized sa Bahay Pag-asa," dagdag pa niya.

DAHIL SA TACLOBAN SHOOTING INCIDENT

Pansamantalang ipagbabawal ng Cybercrime Investigation and Coordinating Center (CICC) ang gaming application na “GoreBox” kasunod ng ulat na lulong umano sa naturang online game ang isa sa mga suspek sa pamamaril sa Tacloban.

Ayon sa CICC, kilala ang laro sa pagpapakita ng iba’t ibang armas at pagiging bayolente.

“We are blocking GoreBox temporarily as a precautionary measure pending the investigation. Within the day, expect the app to be blocked,” saad ni CICC Undersecretary Aboy Paraiso.

“We cannot ignore possible online influences that may have contributed to this tragic incident. Temporarily blocking the game will allow authorities to conduct a thorough assessment of whether the platform played any role in the actions of the suspects,” dagdag pa niya.

Bear Grey Payne, the 9-year-old son of late One Direction star Liam Payne, has been named the sole beneficiary of the singer's estate, valued at nearly $28 million, according to court documents obtained by TMZ.

Most of the inheritance will be held in a trust until Bear turns 18, although a portion of the funds may be used for his benefit before then. Under UK intestacy laws, the estate passes to his only child.

The singer's assets reportedly include a five-bedroom home in England and other investments accumulated during his music career.

The former One Direction member died in October 2024 at age 31 after falling from a hotel balcony in Buenos Aires, Argentina.

The firearm reportedly used by one of the suspects in the shooting at San Jose National High School on June 22, 2026, was allegedly engraved with “PNP Property.” If this information is accurate, authorities should thoroughly investigate how a government-issued firearm ended up in the hands of a minor.

If negligence was involved, the responsible adults should be held accountable. 1 / 5

Hi, everyone. I know a lot of you have been asking about Gavin and me. Ang daming speculations! We really tried our best to work things out. Yes, nakikita ninyo kaming masaya on-cam, pero sa likod ng camera, we also have our own problems and struggles na kami lang ang nakakaalam. Nilaban po namin hanggang sa huli.

I just want to clear things up. Hindi lang po kami "for the views" or anything. What Gavin and I had was real. Dumadating po siguro talaga 'yung time na hindi mo na maramdaman 'yung mutual feelings. Sa love, kailangan parehas kayong nagmamahal.

I am aware of the speculations and rumors spreading online. Magkaibigan po sila, nabigyan lang po ng malisya ang mga kumalat ng pictures based sa kung ano lang po ang nakikita, pero lahat po yon bago mangyari ay alam ko na, dahil pinapaalam lahat ni Gavin. Please don't make any judgments or spread fake news without confirmation. It's just that, the time po nalabas ang "Pasan" naglabasan na po ang mga kung ano-anong haka-haka. Matagal po naming sinubukan ang lahat. Our decision is mutual. Like what I've said, we tried our best to make it work.

This is not easy for either of us, especially for our families who are also hurting through this.

To ELGA, thank you for giving us the time to process the pain and finally face this. We know that this is painful. Sobrang nasasaktan kami na nakikitang nasasaktan kayo. Please know that it hurts the two of us more than you know. We were the happiest together, but it just won't be fair to pretend that everything is still the same. I don't know what the future holds for us. Sabi nga nila kung kayo, kayo talaga!

Wala po kami dito kung wala kayo, kaya sobra po kaming nagpapasalamat sa inyong walang sawang pagmamahal at suporta. Please continue to support us as we try to heal and move forward.

Gavin, it has been 7 wonderful years. ❤️
I learned so much from our relationship, and I will always value the time we shared together. You have been such an important part of my life. Ang daming plano at pangarap na natupad natin nang sabay. Salamat sa pagmamahal na binigay mo sa akin at sa pamilya ko. You gave me the kind of love that I will forever cherish. I will always be thankful and grateful for you. You will always have a space in my heart.

Breaking up is never easy, especially when it happens in front of everyone. Hiling lang po namin ang inyong pag-unawa at respeto sa aming privacy habang sinusubukan naming simulan ang bagong yugto ng aming mga buhay.

Bubuksan natin ulit ang Senate hearing tungkol sa 'di umanong paggamit ng online platforms at gaming spaces para mag-groom, mag-manipulate, at mag-radicalize ng mga bata para gumawa ng karahasan.

Kung ginagamit ang internet para biktimahin ang mga bata, dapat may managot. Hindi natin hihintayin na magkaroon ng sunod pang biktima bago kumilos.

RESIDENTE SA TINOCUAN, DINGLE, ILOILO NAGAPANAWAGAN SANG PUBLIC APOLOGY SA TAG-IYA SANG POULTRY FARM NGA NAGHATAG SA HUOL SA PUMULUYO BANGUD SA PAGDUGING SANG LANGAW

Nanindugan si Aurelia Quenoveva sang Barangay Tinocuan, Dingle, Iloilo nga kinahanglan sang tag-iya sang poultry farm sa ila barangay nga magpangayo sang pasaylo sa publiko indi lang sa mga barangay officials kag local government unit (LGU) kundi pati man sa pumuluyo.

Ini may kaangtanan sa pagduging sa langaw sa lugar kadungan sang harvest sa poultry farm.

Sa interview sang DYRP Life Radio Iloilo kay Quenoveva, ginpakigbahin niya nga daku nga huol sa mga pumuluyo ang gintuga sang nasambit nga poultry gani kinahanglan nila sang nagakaigo nga sabat kag paathag sang tag-iya agud mahibaluan ang iya mga kapaltahan lakip na ang mga lihok agud indi na masulit ang isyu.

Suno pa sa iya, ini lang ang mas madali ang lihok agud indi sila mapilitan nga ipasirado ang poultry.

Puwede man suno sa iya nga maghatag sang bulong ukon hilo ang tag-iya antes ang harvest para sa safety kag ikaayong lawas sang pumuluyo.

Disappointed si Quenoveva sa natabo kag indi man siya kumbinsido nga daan na ang nakahilira nga sinako sang higko sang manok sa kakahuyan sa ila barangay.

Panindugan niya, bisan pa nga ginbutang ang higko sa lugar bilang abono, malain gihapon ang epekto sini sa pumuluyo bangud sa pagduging sang langaw nga perwisyo sa mga residente.

Nagalaum si Quenoveva masapol sang tag-iya ang mga pumuluyo kag makahatag siya sang nagakaigo nga lihok agud masolusyunan ang problema.

Nag-athag man siya nga wala sila nagakontra sa negosyo kundi luyag lang nila sang insakto nga pamaagi sa pagpamalakad sini kaangay sang proper waste disposal agud malikawan ang perwisyo sa langaw. | RFebula

‘BINABATI DIN NAMIN NI ROBIN ‘YUNG MGA GALIT SA FACEBOOK’

Senators Alan Peter Cayetano and Robin Padilla hold a Facebook Live on Tuesday.

“Breakfast muna kami tapos papunta nga Sarangani atsaka Gen San… ‘Yung relief operation maganda ‘yun pero importante ‘yung rehabilitation,” Cayetano said.

“Kumbaga ho sa may sakit ka, hindi pwedeng puro relief lang dapat meron talagang plano, may gamot talaga sa kanser ng ating lipunan,” Padilla added.

Cayetano also encouraged netizens to report anomalies through social media.

“May mga kasama kasi kami galit na galit pag nag fa-Facebook kami pero so far natutuwa naman ‘yung kasama namin dito. But talking about Facebook, may I encourage everyone pag may anomalya sa lugar ninyo… gamitin natin ‘yung social media natin pang-gising,” Cayetano added. (Screenshots/Alan Peter Cayetano)

Excuse me, hindi ito oras para ijustify yung confidential funds mo na ayaw mo maging accountable, dear VP.

At sa magsasabing bakit hindi ako nagsasalita laban sa mga Marcos, excuse me, dati pa ako maingay sa ill-gotten wealth ng mga Marcos. Since college pa. Since nung pinalibing ng "panginoon" niyo si Marcos sa Libingan ng mga Bayani nung 2016.

Kaya don't me. And dapat managot ang dapat managot, whether sa nangyari sa Tacloban, o sa pagnanakaw mula sa kaban ng bayan.

Nakikiramay tayo sa pamilya, mga kaibigan, at sa buong komunidad ng mga estudyanteng nasawi sa pamamaril sa San Jose National High School sa Tacloban.

Hindi dapat nakapasok ang baril sa loob ng paaralan. Nanawagan tayo sa mga kinauukulang ahensya na magsagawa ng masusing imbestigasyon at tingnan ang mga posibleng pagkukulang sa seguridad sa eskwelehan. Kasabay nito, kailangang palakasin pa ang mga hakbang upang mapangalagaan ang kaligtasan ng ating mga mag-aaral.

Sa gitna ng trahedyang ito, nauunawaan natin ang galit ng taumbayan at ang panawagan para repasuhin ang Juvenile Justice Law. Nais kong linawin na sa kaslukuyang batas, may mekanismo na para panagutin at i-rehabilitate ang mga menor de edad, habang may pananagutan din ang mga magulang.

Tandaan natin: Ang sagot sa karahasan ay hindi karahasan. Kailangan nating tugunan ang mga ugat ng problema—mula sa mga pagkukulang sa tahanan, paaralan, at online spaces, hanggang sa mga butas sa regulasyon ng baril at sa pagpapatupad nito.

Tucker Carlson has announced that he will no longer support the Republican Party, accusing GOP leaders of prioritizing foreign interests over American citizens. He criticized the party's stance on the Iran conflict and U.S.–Israel policy, marking a major break from one of the most influential conservative voices in recent years. His decision highlights deepening divisions within the American right as foreign policy debates intensify.

Also, kung galit na galit kayo sa batas na ito, pakicheck din ang legislative history. Hindi ito solo album ni Kiko Pangilinan. Maraming mambabatas ang sumuporta rito. Some of the same politicians and allies na kinakampihan ninyo ngayon were part of the legislative history, co-authors, supporters, or conferees of the House counterpart. Marcoleta and Imee are not exactly aliens who landed after the law was passed. Kaya kung may gusto kayong murahin, huwag selective amnesia. Baka sa sobrang hanap ninyo ng villain, nakatapak na kayo sa sariling kampo.
Ang point ko simple: fake news ang "walang parusa ang menor." May intervention, assessment, rehabilitation, civil liability, possible court process, and accountability depending on age, discernment, and offense. Hindi porket hindi adult prison agad, wala nang consequence. Law is more complicated than your slogan. Shocking, I know.

Sinabi ko na nga sa post na puwedeng pag-usapan ang lowering of age of criminal liability. Ang hinihing ko lang: pag-usapan nang scientific, legal, at may plano sa implementation. Hindi yung "adult crime, adult punishment" na pang-comment section lang pero pag tinanong mo kung saan ilalagay ang bata, ilang social worker, anong rehab program, anong psychological assessment, anong safeguards, bigla nawawala na parang load sa online sabong.

Explaining the law is not defending criminals. Ang tawag doon literacy. Try it sometime.

At yang screenshot mo pa mismo ang sumampal sa argument mo. Sinasabi niyang maraming bansa ang may lower age of criminal responsibility, yes. Pero hindi ibig sabihin noon adult jail agad. Karamihan di may juvenile procedures pa rin, special courts, diversion, rehabilitation, at safeguards. So congratulations, nagdala ka ng resibo na hindi mo ri

AN ACT RECOGNIZING LIVED IDENTITIES, PROVIDING ADMINISTRATIVE LEGAL RECOGNITION PROCESS AND APPROPRIATING FUNDS THEREFOR

Explanatory Note

The fundamental right to self-determination is recognized as an inherent aspect of human dignity and personal autonomy under international human rights law. The Yogyakarta Principles on the Application of International Human Rights Law in Relation to Sexual Orientation and Gender Identity states that, "each person's self-defined sexual orientation and gender identity is integral to their personality and is one of the most basic aspects of self-determination, dignity, and freedom."[1]

Yet according to the Supreme Court in Silverio v Republic,[2] our laws have not yet caught up with the medical and scientific advances in understanding gender identity. Since 2022, the United Nations Human Rights Committee has been urging the Philippine government to adopt legal gender recognition procedures.

The Lived Identities Recognition Act (LIRA) is a response to this legal gap. The bill aims to establish a clear statutory authority to recognize lived identities on the basis of gender identity. It provides an accessible administrative procedure for name change and gender recognition. It protects the right to privacy and non-discrimination. It declares that all persons, regardless of gender identity, are equal before the law and entitled to the same dignity, protection, and recognition.

According to the Philippine Constitution, the State values the dignity of every human person and guarantees full respect for human rights.[3] It further guarantees that no person shall be denied the equal protection of the laws.[4] Without legal recognition, persons of diverse sexual orientation, gender identity or expression and sex characteristics (SOGIESC) are discriminated against in employment, health services, education, and other settings. They are made more vulnerable to violence and psychological trauma.

Proclaiming one's lived identity is an act of courage and pride. The least that the State can do is recognize, support, and protect it.

In view of the foregoing, the immediate passage of this Act is earnestly sought.

Law student Duterte shot frat brod on campus in '72

By: Fe Zamora - @inquirerdotnet
Philippine Daily Inquirer / 01:38 AM April 22, 2016

Share:

Now it can be told.

As a graduating student of law at San Beda College in Manila in 1972, presidential candidate Rodrigo Duterte figured in a shooting incident on the school campus.

Duterte himself told the story at a campaign rally in Iloilo City on Wednesday, drawing applause from the crowd.

An Inquirer source from the Lex Talionis fraternity identified Duterte's victim as Octavio Goco. Both Duterte and Goco were members of the fraternity.

"I was a graduating student at San Beda when I shot a man," Duterte said in Filipino. "I waited for him, I told myself I'll teach him a lesson."

Duterte said Goco bullied him over his being a Visayan. Muslim students also suffered from Goco's bullying, he said.

Duterte said they were in the corridor and Goco was pushing people around.

"I said you son of a bitch if I get hit I will shoot you. I was hit in the nose. Aaah! Bang," he said.

SA PANUKALANG PAGPAPABABA NG CRIMINAL LIABILITY SA 10 TAONG GULANG
Marami na akong ipino-post patungkol sa mga nangyayari sa ating kabataan. Mayroong nang-rape, pinatay. Merong nangho-holdap ng jeep. Eto, latest na naman. Kaya sana, ang aking hingi na pabor sa aking mga kasama ditong senador, sana bigyan naman ninyo ng panahon at pagkakataon 'yung aking panukala.
I-amend na natin 'yung juvenile ano na 'yan. Kasi talagang ang dami na. Nasa mukha na natin. At alam ninyo, hindi lang dito sa Pilipinas na mayroong ganiyan. 'Yung edad ay ibinababa. I-amend na natin 'yung juvenile... Ten. Dapat doon.
SENADOR
ROBIN PADILLA
Hindi pwedeng pakawalan ang mga suspek kahit menor de edad. Dapat dumaan sila sa prosesong itinakda ng batas. Sa ilalim din ng batas, may pananagutan ang mga magulang ng mga suspek kung naging pabaya. Itinatakda rin ng batas na kailangang bigyan ng DSWD ng karampatang suporta ang mga biktima at ang kanilang mga pamilya hanggang makamit nila ang katarungan.

Isinusulong ni Senador Robin Padilla na ibaba sa 10 taong gulang ang criminal responsibility kasunod ng Tacloban school shooting.

Para naman kay Senador Francis Pangilinan, dapat na maayos ang papapatupad ng Juvenile Justice Law sa mga kasong may kinalaman sa menor de edad. | via **TV Patrol**

Three people, including the suspected gunman, a police officer, and a civilian, were killed in a shooting incident in Montreal's Côte-des-Neiges neighbourhood. Authorities said the suspect, armed with a long gun, left behind a 104-page manifesto containing misogynistic "incel" ideology, anti-police rhetoric, and criticism of capitalism and the pornography industry.

WHO IS EXEMPT FROM CRIMINAL LIABILITY?
Criminal responsibility under the law is strictly determined by age:
• 15 years old and below: Completely exempt from criminal liability. They are immediately released to their family and placed in community intervention programs.
• Above 15 but below 18: Exempt unless they acted with discernment (the capacity to know right from wrong). If discernment is proven, they proceed to child-appropriate legal tracks.
NOTE: Being exempt from criminal liability does not mean exemption from civil liability (paying for damages).

ANO ANG POSIBLENG MANGYARI SA DALAWANG MENOR DE EDAD NA SANGKOT SA PAMAMARIL SA TACLOBAN?

Sasailalim sa regular na trial ang 15-anyos na estudyanteng sangkot sa pamamaril sa Tacloban habang patuloy na susundin ang mga child protection protocol, ayon kay PNP spokesperson Col. Allen Rae Co.

Aniya, kinokonsidera na kasing “above 15” ang isang indibidwal na "15 years old and 1 day.”

Samantala, ang isa pang 14-anyos na sangkot ay ilalagak sa isang child protection facility ng DSWD.

Map of the fleet movements prior to the Battle of Trapani

The **Battle of Trapani** took place on 23 June 1266 off Trapani, Sicily, between the fleets of the Republic of Genoa and the Republic of Venice, as part of the War of Saint Sabas (1256–1270). The two fleets met near Trapani in Sicily on 22 June. After learning of the Venetian fleet's smaller size, the Genoese war council resolved to attack, but during the night Genoese commander Lanfranco Borbonino reversed the decision and instead ordered his ships to take up a defensive position, bound together with chains, near the shore. As the Venetian fleet attacked the next day, many of the Genoese crews, mostly hired foreigners, lost heart and abandoned their ships. The battle was a Venetian victory, as they sank or captured the entire Genoese fleet. On their return to Genoa, Borbonino and most of his captains were tried and fined large sums for cowardice. Genoa continued the war, in which neither side was able to gain a decisive advantage

The messages changed everything.

A day after the deadly shooting at San Jose National High School in Tacloban City, many people pointed to bullying, social isolation, and even violent video games as possible explanations. But newly uncovered details from the police investigation suggest the attack may have involved far more planning than initially believed.

According to Police Brigadier General Jason Capoy, the two suspects, aged 14 and 15, had allegedly been discussing the attack since May 1, more than a month before classes opened. Investigators were particularly disturbed by reported private conversations showing the teenagers discussing the Philippines' Juvenile Justice and Welfare Act while planning the assault.

Police believe the suspects may have studied the law and convinced themselves that, as minors, they would avoid prison even if they carried out the attack.

bullying complaints. When the intended target could not be found, the violence reportedly spread through the school corridor.

Authorities recovered about 40 spent shell casings from a 9mm pistol owned by a police officer who was identified as the aunt of one of the suspects. A .38 revolver connected to the grandfather of the other suspect was also recovered.

The case has now shifted the national conversation. While bullying remains part of the investigation, many Filipinos are struggling with a more troubling possibility: that the attack was not simply an emotional reaction, but something allegedly discussed, prepared for, and justified long in advance.

The courts will ultimately decide what the suspects understood and intended. But if the reported messages are accurate, the debate may no longer be about what pushed these teenagers over the edge, but whether they believed they had already found a way around the consequences.

Beginning in May 2026, a leadership crisis within the Labour Party emerged amid public and internal party dissatisfaction with Keir Starmer, prime minister of the United Kingdom, and the fact he helped to turn UK into a dictatorship that censors stuff and closes their eyes for rape.
Reported potential candidates for the party leadership include Andy Burnham, Al Cairns, David Lammy, Shabana Mahmood, Wes Streeting, Angela Rayner, and Ed Miliband.[according to whom?] On 14 May 2026, Streeting criticised Starmer in his resignation letter, but he did not launch a leadership challenge despite speculation he would do so; he later confirmed his intention to stand in a leadership election, should one take place. Later that day, Josh Simons resigned as the MP for Makerfield to allow for Burnham to stand in the resulting by-election, who shortly after confirmed he would seek to become the Labour candidate. Burnham won the by-election with 54.8% of the vote on 18 June 2026, with many Labour MPs supporting an immediate leadership challenge to allow Burnham to succeed Starmer as Prime Minister. Starmer announced his resignation on 22 June 2026. Nominations for a potential leadership election will open on 9 July and close on 16 July 2026.[1]
